Westfield Schools Herbicide Notice

Notice to the Public:

Westfield Schools will be conducting herbicide applications to maintain the safety and aesthetics of our school grounds. This notice provides essential information regarding the herbicide application schedule, locations, and safety precautions.

Herbicide Application Details:

Armor Tech
3-way Herbicide EPA# 86064-5

Purpose:
Spraying for Dandelions

Application Schedule:

- Start Date: 4/25/26
- End Date: 4/26/26
- Time: Applications will be conducted between 8:00am to 3:30pm
- Alternate Dates Pending Weather: None

Locations

The herbicide will be applied in the following areas:

☑	Playgrounds
☐	Sports Fields
☑	School Lawns
☐	Parking Lots
☐	Pathways and Walkways
☐	Landscaped Areas
☐	Courtyards

The herbicide will be applied in the following buildings:

☐	Westfield High School
☐	Westfield Middle School
☐	Westfield Intermediate School
☑	Monon Trail Elementary
☐	Maple Glen Elementary
☐	Shamrock Springs Elementary
☐	Oak Trace Elementary
☐	Washington Woods Elementary
☑	Carey Ridge Elementary
☐	Administration/Early Learning Center
☐	Shamrock Station

Safety Precautions

- Restricted Areas: During application, treated areas will be clearly marked and access will be restricted. Please avoid these areas until the signage indicates it is safe to enter.
- Re-Entry Period: Do not enter treated areas until **4 hours** after application. This allows the herbicide to dry and ensures safety.
- Notification Signs: Signs will be posted around treated areas before, during, and after application to inform of treated areas.

Health and Safety Information

- Potential Risks: While the herbicide is approved for use in public areas and poses minimal risk when used according to the manufacturer's instructions, exposure can cause irritation. Avoid contact with treated surfaces until the re-entry period has passed.
- First Aid: In case of contact with skin or eyes, rinse thoroughly with water. If irritation persists, seek medical attention.
