SYSTEMATIC BEHAVIOR SUPPORT

TIER 3 BEHAVIOR SUPPORT

Santa Barbara County Education Office
Susan C. Salcido, Superintendent

CALIFORNIA MTSS

Even with strong systems in place, some **general and special education students** will continue to experience significant behavioral challenges.

Join us to learn how to respond effectively in the moment and develop individualized behavior support plans that teach students how to meet their needs in more successful ways.

Participants Will:

- Understand the difference between **Tier 3** support and special education
- Deepen their understanding of behavior
- Learn how to develop and implement practical, function-based behavior support plans for students with and without IEP's
- Leave with practical tools and strategies to strengthen **Tier 3** supports at their site
