MEDICAL POLICY STATEMENT

Dulwich College is an inclusive community which welcomes and supports pupils with medical conditions so as to ensure they have the same educational opportunities as all pupils and can:

- be healthy
- stay safe
- enjoy and achieve
- make a positive contribution
- achieve optimum well-being

Particular regard is given to ensure these pupils are able to participate fully in school trips and physical education.

The College implements and follows policies to support pupils with medical conditions and where necessary consults health and social care professionals, pupils and parents to ensure effective understanding and support.

The Medical Centre policies are communicated via the College website and intranet. These deal with specific conditions as well as procedures and policies of good practice adhered to by the College.
