Bowling Green Middle School PTO
Making a Difference in our School
We are Bobcat Proud!

The mission of the BGMS PTO is to create a caring and responsive environment for the middle school students and teachers. Involvement in the PTO is one way to demonstrate your commitment to your child's education. There are several ways to show your support, whether you have a lot of time to give or only a little.

Ways to Help Out:

- Assist with our PTO Fundraiser in September/October by promoting the fundraiser and working our Day of Awesomeness
- Plan and/or prepare occasional treats, luncheon food, gifts, etc. for teachers and staff members
- Assist during our Red Cross Blood Drive
- Participate in the PTO meetings held throughout the year to brainstorm and plan for upcoming events
