CRISPUS ATTUCKS
HIGH SCHOOL

2 College & Career Academies

Healthcare pathways and computer science are our specialties.

1,200 Students

Crispus Attucks is just the right size for creating relationships you can depend on academically and socially.

17 Tiger Sports Teams

In 1955, Attucks was the first all-black school in the nation to win a state title. Today Attucks is open to all and as competitive as ever.

You Belong at Crispus Attucks

Crispus Attucks is more than a high school. We are an inclusive, diverse, and equitable learning community where students feel like they belong. Whether you complete the Indiana College Core or choose one of our pathways to careers in healthcare or computer science, your advisor, teachers, and peers become your greatest cheerleaders and champions. We look out for one another at CAHS. We motivate and inspire you to stick with your plan, step up, and see it through — celebrating every win you chalk up, in class and out. We care about you. We are invested in your future. That is the Crispus Attucks Way.

"To make sure every student feels known, one teacher meets with the same small advisory group every day for four years. By the time you graduate, you're family."

LAUREN FRANKLIN, PRINCIPAL AND DAUGHTER OF TWO PROUD CRISPUS ATTUCKS ALUMNI

Academies & Pathways

Academics at Crispus Attucks focus on the Indiana College Core curriculum, with special emphasis on two College and Career academies.

HEALTH SCIENCE ACADEMY PATHWAYS:

- Biomedical Sciences
- Central Service Technician
- Healthcare Specialist (Nursing)
- Medical Assistant (CCMA)
- Physical Therapy

COMPUTER SCIENCE ACADEMY PATHWAY:

- Computer Science

Our unique advisory program makes student guidance priority number one. Students create lasting bonds with faculty members and peers in advisory groups that meet together consistently for four years.

Tiger Athletics

Sports at Crispus Attucks have a storied history, dating back to the first all-black team to win the state championship. That proud legacy emboldens today's Tigers, who wear the green and gold as they compete in 13 sports:

- Baseball
- Basketball
- Cross Country
- Football
- Golf
- Sideline Cheer
- Soccer
- Softball
- Swimming
- Tennis
- Track
- Volleyball
- Wrestling

After Attucks

With support from both the lifelong friends they've made here and the skills they've honed, our graduates have gone on to become employed upon graduation in livable wage jobs, enlist in the military, and enroll in higher education institutions including:

- Ball State University
- Butler University
- Central State University
- Indiana State University
- Indiana University - Bloomington
- IUPUI
- Ivy Tech Community College
- Marian University
- Purdue University
- Tennessee University
- Vincennes University

Amazing Opportunities: The IU Health Fellowship and the IUPUI SPAN Program

Advancing career pathways to jobs in healthcare, the IU Fellowship at CAHS offers qualified students a job at Indiana University Health and tuition assistance toward a 2- or 4-year college degree. The IUPUI SPAN program offers more great preparation for college, providing students access to dual enrollment courses at Indiana University-Purdue University Indianapolis.
