Meeting ID: 952 7250 9840

Passcode: cF^eYD74B1

- Please use the following link to access the SchoolTool Registration site: https://esb.schooltool.com/esb-summer/onlinepreregistration/
- Review the ESBOCES Regional Summer School Program website regularly for updated information, including courses offered, program dates, registration procedures, and schedules.
- Share the appropriate 2026 Parent/Guardian Informational Resource with students and families to ensure they understand program requirements and registration procedures. (Will be emailed separately)
- For each eligible student, upload a current IEP and/or 504 Plan into SchoolTool.
- Student schedules will be available in SchoolTool beginning July 7, 2026. Parents/guardians who provide an email address during registration will receive an email notification when schedules are available.
- Printed student schedules will be available beginning July 8, 2026.

For additional information about the ESBOCES Regional Summer School Program, including program dates, courses offered, schedules, and program details, please visit the Sayville Program website: Regional Summer School - Eastern Suffolk BOCES
