Notice to Proposers:

A. Receipt of this Addendum shall be acknowledged on "Attachment A" the Acknowledgement of Addenda form found in Addendum 01
B. Each proposer shall make necessary adjustments and submit his proposal with full knowledge of all modifications, clarifications, and supplemental data included therein. Where provisions of the following supplemental data differ from those of the original Contract Documents, this Addendum shall govern.

General

Item No. 01: **Proposal Form** – Proposers are requested to submit proposals using their standard proposal format and include Attachment A in your proposal.

Item No. 02: **Acknowledgment of Addenda form (Attachment A)** – Please include this form with your bid submission

Item No. 03: **Payment and Performance Bond –** As a political sub-division of the state the District is required to obtain both performance and payment bonds. Performance bonds are required when the entire transaction (both original amount and the total of all changes, updates and additions) total over $100,000. Payment bonds are required when the entire transaction (both original amount and the total of all charges, updates and additions) total over $25,000. For this Project both Performance and Payment Bonds in the full amount of the Contract Sum will be required. Neither bond is required to be submitted with the original proposal submission; however, the Selected Proposer will be required to furnish a Performance Bond and a Payment Bond on forms acceptable to the Owner, at the time of execution of the Construction Contract and shall include the premiums for such bonds in Proposer's bid.

Such bonds must be written by a company, or companies, acceptable to and approved by Owner. Owner will not accept a bond written by any company which does not meet all of the following requirements:

- The bond must be executed by a corporate surety or corporate sureties duly authorized and admitted to do business in the State of Texas and licensed by the State of Texas to issue surety bonds.

- The surety or sureties executing such bond must be listed in the most current issue of the U.S. Department of Treasury Circular 570 (hereinafter called "Circular 570") as an acceptable surety to execute bonds for federal project.

- The amount for which the bond is written shall not exceed the underwriting limitation prescribed by Circular 570 for the surety or sureties executing such bond.
