ALABAMA EXTENSION

YOUR MONEY, YOUR LIFE

Living in the **Real World**

Your Money, Your Life helps young people understand the financial responsibilities they will face as they earn a living in the real world. Participants in this engaging and fun simulation will be given a salary, pay taxes, and begin to see how far their money can go as they choose housing, transportation, groceries, and more.

Your Money, Your Life presents the complexities of adult financial responsibility in a way that makes these decisions approachable as it encourages participants to think critically about how each decision might affect them.

Through this program, teens get an early dose of their financial reality check before they make life and career decisions. Contact us today if you are interested in helping young adults in your area with the following:

- **Understand the financial decisions of everyday life**
- **Learn about budgeting and setting financial priorities**
- **Recognize the important relationship of career selection and education to their future earnings**
- **Be able to write checks and keep track of money**
- **Be prepared for those moments when "life happens"**

For more information, contact Matt Ulmer at ulmermj@aces.edu or (334) 844-3517, your county Extension coordinator, or 4-H agent for more information. Visit www.aces.edu/directory.
