KEEP CONNECTED WITH US

As we welcome you and our students back to GWA, Effective communication between parents and the school is essential for the success and well-being of our students.

To ensure a smooth flow of information and to foster a collaborative partnership, We proudly present the GWA School Apps and portals designed to ensure that you stay well-informed and connected throughout the academic year.

GWA COMMUNICATION CHANNELS

Email: The preferred method of communication for most teaching and administrative staff members is email. Important school wide as well as important individual communications are regularly shared via email. Similarly, parents find that email is often the most effective way to communicate with staff. GWA encourages parents to regularly check and read emails sent from the school.

Parent Newsletter: A comprehensive Parent Newsletter is sent to all families monthly via email. These newsletters include important information about the school, academics and any upcoming events. Parents should ensure they are prioritizing reading these newsletters throughout the school year.

School Platforms: Important communications relating to Primary School and Secondary School are often sent through the student management systems.

Parent - Teacher Conferences: Conferences between parents and teachers are scheduled school-wide three times yearly. Parents are expected to attend to meet with their child(ren)'s teachers regarding academic and social progress and growth.

Back to School Nights: At the beginning of the school year, Back to School Nights will be held for all grade levels. Back to School Nights are intended to be an introduction to teachers, curriculum and learning for the year, as well as an opportunity to visit student classrooms and learning areas. Back to School Nights are a "meet and greet" opportunity, and not a parent-teacher conference. If there is a need to have an individual parent-teacher meeting early in the school year, please reach out to the appropriate school office to schedule a time to meet.

Individual Parent - School Meetings: On occasion, it may be necessary for teachers/school officials and parents to meet individually. When contacted by the school with a request to meet, it is expected that parents will make themselves available at a mutually agreed upon time. Similarly, when parents contact the school and request a meeting, it is expected that school personnel will make themselves available at a mutually agreed upon time.

***Changes to Contact Information:** Parents are responsible for updating contact information. Any time there is a change to parent/family contact information, it is crucial that parents notify the school office coordinators immediately.
