Summer Assignments | 2026–2027 School Year

Below you will find all assigned summer coursework for the 2026–2027 school year. **If a course is not listed, no summer assignment has been assigned for that class.**

All summer assignments are due on the first day of school unless otherwise noted. Please refer to the student schedule distributed on April 30 (or sent via email for students who enrolled after that date) and locate your assigned courses below. Students should complete only the assignments corresponding to their grade level and scheduled courses.

We encourage students to begin their work early and pace themselves throughout the summer to ensure they are well prepared for the start of the school year.

If you have any questions regarding summer assignments, ***please contact Principal Mrs. Mauro at jmauro@tmla.org.***
