3rd Grade Whitehead Elementary Supply List
2026-2027

Dear JWES Families:

Here is the class supply list for 3rd grade 2026-2027 school year. These items will be used throughout the year, and we will accept donations all year long. Please provide what you can! We are looking forward to having your students in our classes next year!

We kindly ask for a $30 contribution to your child's classroom account to help enhance instruction and create a positive, engaging learning environment. All funds will be used thoughtfully and directly in the classroom to support student learning.

This contribution will help cover:

- Ink for the classroom color printer, used to print visuals that build background knowledge and support comprehension
- Classroom incentives to encourage positive behavior and student motivation
- Supplies for various classroom projects that make learning hands-on and meaningful

If paying the full amount at once is a hardship, families are welcome to contribute in $10 increments during the first three quarters of the school year.

Some items will be shared as a classroom community; others will be personal (I will help put names on such items). Please write your child's name inside EVERYTHING else: All backpacks, lunchboxes, water bottles, headphones, coats, sweatshirts, etc.

We are looking forward to a Whale of a year!
