Motion passes and the corrected 3/19/24 minutes were approved.**	Approval	Secretary
5	**Reports** (10 minutes) **SPAC (Superintendent's Parent Advisory Committee):** no reports on SPAC were given at this time. Jennifer Morgan stated that she would be stepping down from this volunteer position next year and would like to seek an interested parent/s to begin going to the meetings held 3 times a year. **ELAC (Site English Language Advisory Committee):** no reports on ELAC were given at this time. **DELAC (District English Learner Advisory Committee):** no reports on DELAC were given at this time.	SPAC/ELAC/DELAC	Chair/Committee Reps
6	**Unfinished Business** (5 minutes): Aliceon shared information about the **You Light the Way Awards** that were given out at the district office. Our own Emily Graham and Jennifer Morgan were recipients of this award.	Information/Discussion	Principal

7	**New Business** (30 minutes): **Amplification Systems** Michelle Pon who teaches third grade has been piloting several different voice amplification systems in her classroom. This allows her instruction and directions to be amplified clearly and crisply in her classroom. Enough funds were given to purchase a few more systems to allow interested teachers to use them next year. **SPSA Updates** New expenditures were gone over; as voted on last meeting, all left over funds will be relocated to Goal Action Item 3.9 Materials and Supplies. The new SPSA format will only have three goals as opposed to four. #1 is Student Achievement and the Implementation of State Standards, #2 is Student Engagement and Course Access, and #3 is School Conditions, Climate, and Family Engagement. See image #3 **District School Wide Dress Code** The district worked with interested staff, parents, and students to discuss and come up with a draft dress code that would roll out in the next school year. A survey window is open from April 8th - May 17th for any stakeholder in the district to give input on this draft. **24/25 Budget Allotments and Funding Decisions** Based on feedback and staff surveys, monies were allocated for the 24/25 school year. See images #1 and #2 below. **Staff Professional Development Brainstorm for 24/25** At the last staff meeting, staff brainstormed ideas to further its professional development for the 24/25 school year. Once all ideas were brainstormed, staff had a chance to give input on what was most important. Top interests include work in Language Arts, allowing time for teachers to collaborate and create materials for GLAD (Guided Language Acquisition Development) strategies, creating short term planning guides centered around language arts, and work around Morpheme Magic/vocabulary building program for upper grades. **School-wide Initiatives/Clubs** It was shared how many after school, school-wide initiatives and clubs are running on campus, and the high involvement of our students is evident. Soccer Club, Junk Club, Ceramics Club, Running for Rhett Club, Project Optimism, as well as our once a month "clubs" time during the school day keep our campus busy. See image #4 **Site Area of Focus: MooZoom (SEL pilot curriculum)** This SEL (social-emotional learning) tool was discussed last meeting. Michael Roscoe shared the website and showed what students would be seeing and using next year. Moozoom! was purchased for all students and staff to use. The cost will run about $14 per student. Staff from this company offers to come out to our site to give teachers professional development; this is included in the cost. Updated material and videos are updated as well every year.
