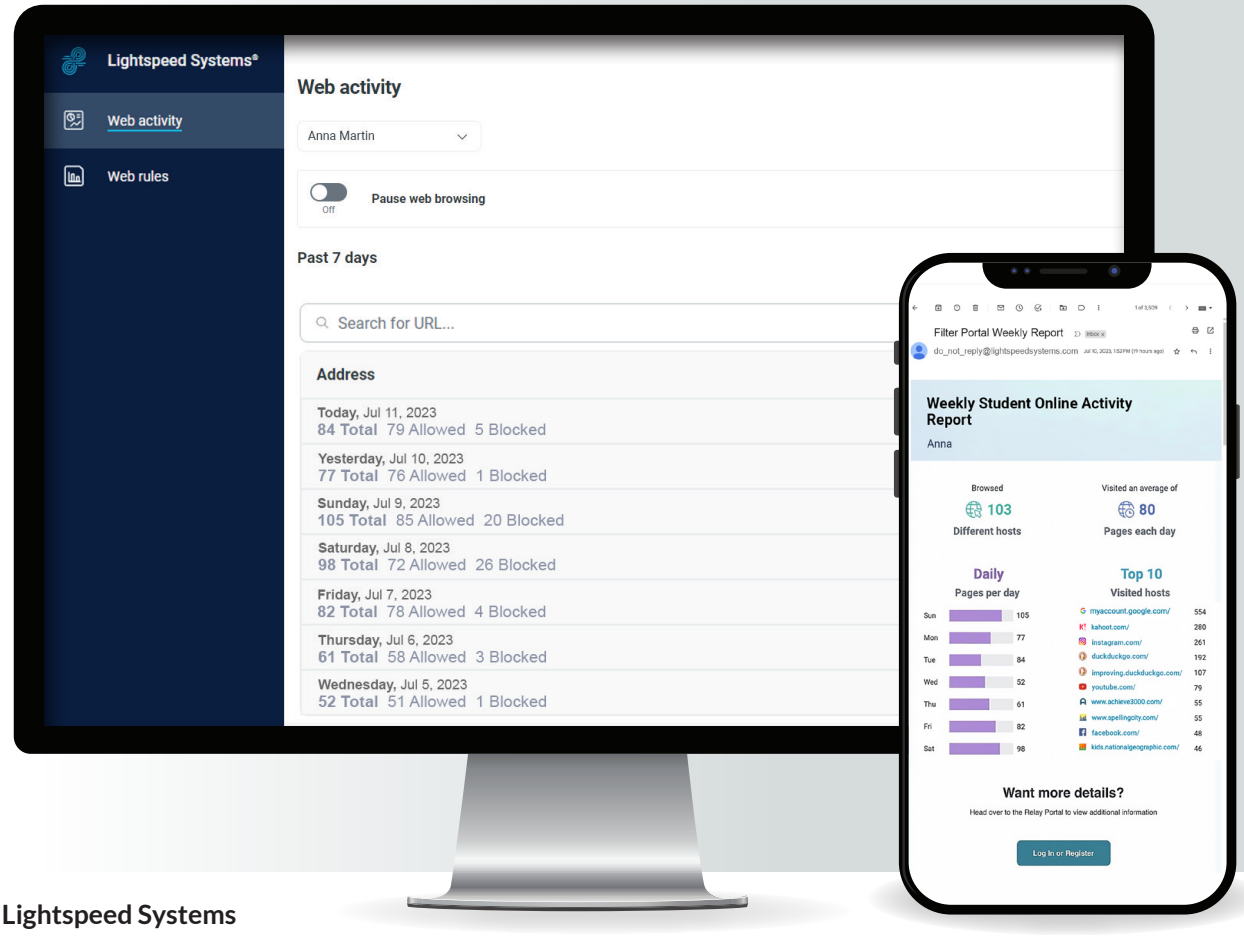
Introducing the Lightspeed Parent Portal

With so many new technologies and learning methods introduced every day, your involvement in your child's learning is more important than ever. To support this, your school has partnered with Lightspeed Systems® to give you visibility and control of your child's internet usage while on school-issued devices, at home and after-school hours.

With the Lightspeed Parent Portal, you have access to:

- The Weekly Student Online Activity Report, sent to your email. This report summarizes your child's web browsing activity for the week.
- The full, web-based portal delivering in-depth visibility and control over your child's online activity. Know exactly when and what sites are accessed in real time, then pause screens or control app usage as needed.



About Lightspeed Systems

Lightspeed Systems has been dedicated to supporting K-12 online education for over 20 years. Lightspeed is governed by and adheres to stringent student data privacy regulations, such as FERPA and COPPA, ensuring student data will remain confidential and will not be shared, distributed, or sold to advertisers or any other parties.

How Lightspeed Captures Your Child's Internet Activity

Devices provided by your school that are filtered by Lightspeed, intercept network traffic and allow or block websites. These decisions are made based on both the content filter category of the website and the rules configured for your student.

The Weekly Student Online Activity Report

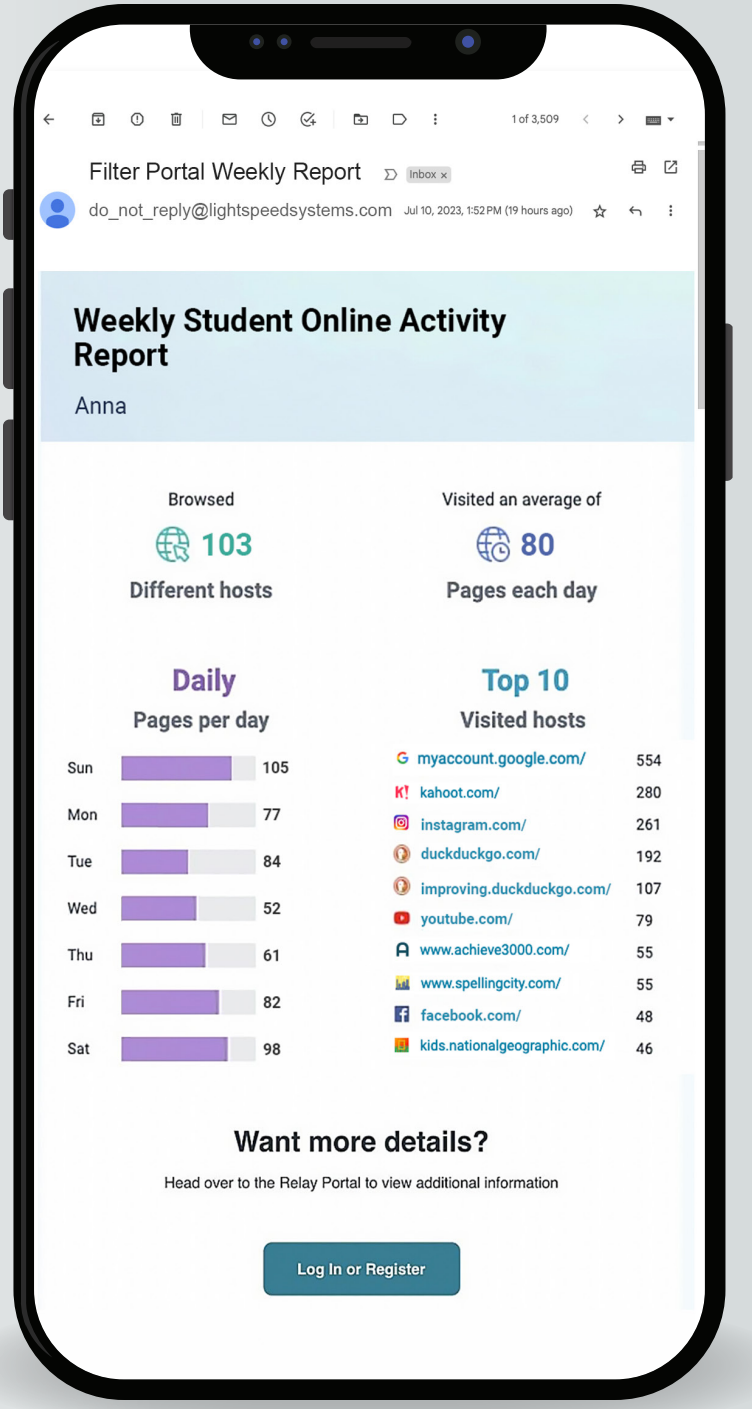
The Weekly Student Online Activity Report summarizes your child's web browsing activity for the week; including page visits and website host metrics.

With the Weekly Student Online Activity Report you'll see:

- Top Websites: Top 10 visited hosts
- Daily Website Visits: Number of pages visited per day
- Total Browsed Hosts
- Average Daily Page Visits

The Weekly Student Online Activity Report will be emailed straight to your inbox every Sunday containing the Subject: *Filter Portal Weekly Report* and sent from: *do_not_reply@lightspeedsystems.com*.

Note: be sure to check your Spam folder if you have not received it in your inbox.

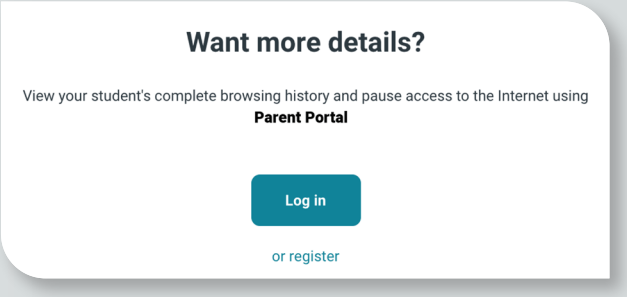


The Lightspeed Parent Portal

Sign Up for the Portal

The Lightspeed Parent Portal is a full web-based portal that is mobile responsive, so you can easily check on your child's internet activity in real time and take action.

HOW TO ENROLL:



1. You will receive a Weekly Student Online Activity Report email from: do_not_reply@lightspeedsystems.com.
2. Click the "or register" hyperlink at the bottom of the Weekly Student Online Activity Report email to register/create an account.
3. A verification email will be sent to the email address you provided during the registration process to log into the portal.
4. Once you are in the portal, you may use the drop-down to toggle between students if you have more than one child.

View Allowed and Blocked Websites

The Lightspeed Parent Portal's Allowed/Blocked web activity status allows you to check which websites are permitted and which are restricted according to your school district's filtering policies. This feature is useful to monitor your child's online activity and engage in digital citizenship conversations. You can easily filter the results by activity type using the "Allowed" or "Blocked" tabs.

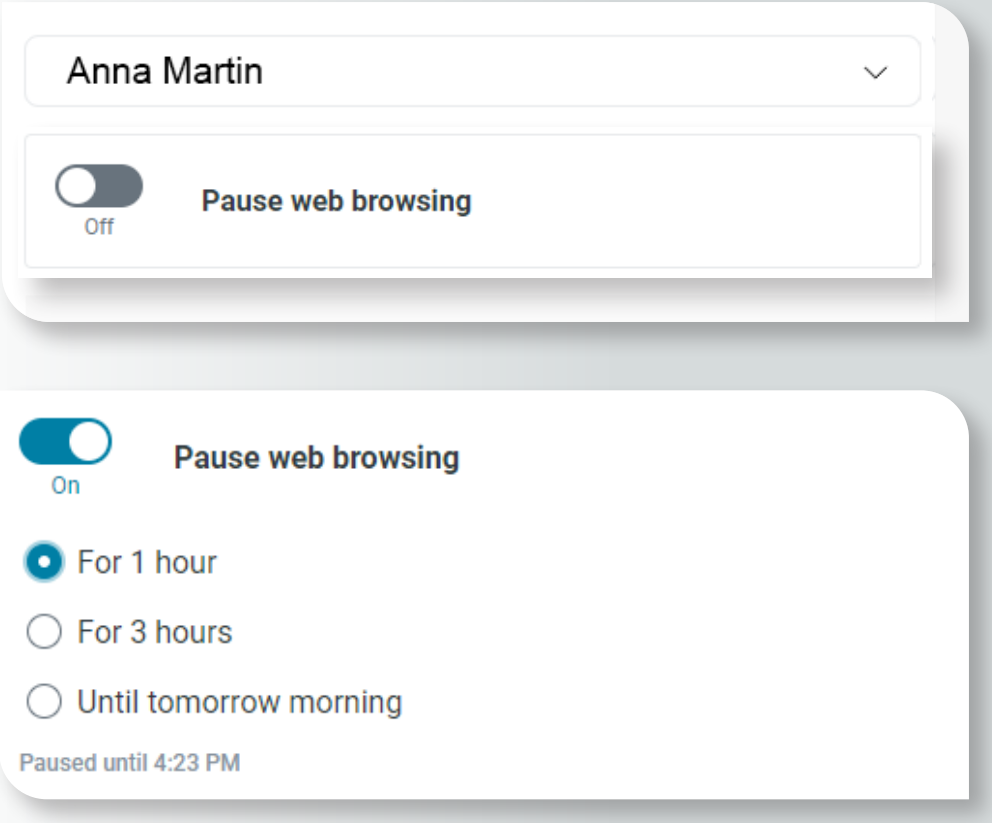
NOTE: Only your district can make changes to your school's web content filtering policies. You will not be able to change the status of an allowed or blocked website from within the portal.

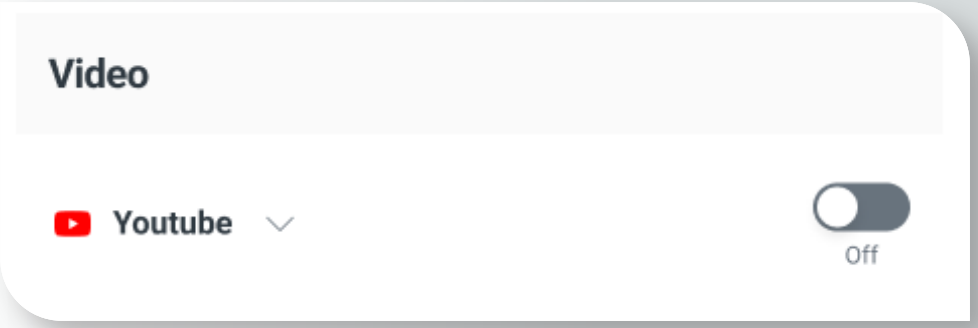
Pause Web Browsing

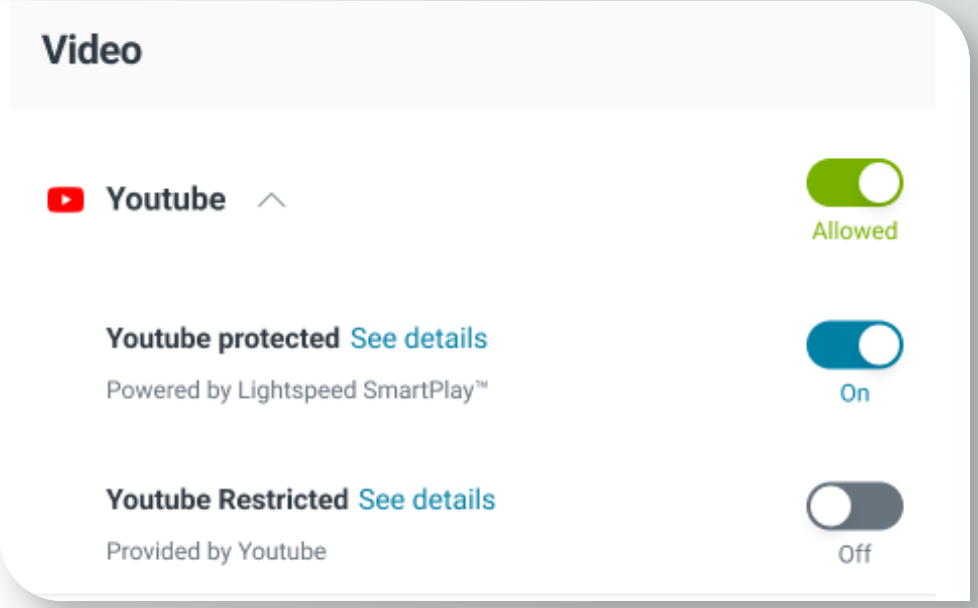
Control your child's screen time to temporarily pause web browsing on school-issued devices while at home or after-school hours for 1 hour, 3 hours, or overnight



Manage YouTube Access

YouTube includes rich educational content and our district is diligent about monitoring access to ensure your child can access appropriate YouTube content. Even so, your child may be spending too much time on this platform and not getting homework done. With the Lightspeed Parent Portal, you can allow or block access to YouTube after school as needed.





Manage Social Media Access

Students live on social media, and it can be distracting. Don't want your child on social media after school? No problem. With the Lightspeed Parent Portal, you can manage access to social media on school-issued devices so your child can continue to stay focused at home.
