SUBJECT: **2023-24 Full-Time Equivalent for Certificated Positions**

It is time to update the Full-Time Equivalent (FTE) for classroom teachers and adjunct faculty for fiscal year 2023-24. In past years we have required all districts to complete the certification form. We only require districts to complete the certification form if there has been a change to the FTE from prior year. CalSTRS requires agencies to report all members paid an hourly or daily rate against an annual, full-time salary. To assist us in converting the hourly/daily rates to annual salaries, we need to know the full-time equivalent for each classification. Full-time equivalent is defined in Education Code Section 22138.5 as "the days or hours of creditable service the employer requires to be performed by a class of employees in a school year . . . and specified under the terms of a collective bargaining agreement or employment agreement."

The information provided will be used as a "default only" to convert hourly/daily and lump sum rates to annual salaries for those pay lines that do not have an annual 'Ret Base' entered or are not attached to a salary schedule.

Please complete the attached certification form and return to DFS' Retirement Services Unit at: DFS.Retirement@sbcss.net .

If you have any questions, please contact Michelle Johnston at michelle.johnston@sbcss.net.

Sincerely,

Ted Alejandre
County Superintendent of Schools

CERTIFICATION OF FTE FOR PAY RATE CONVERSIONS

As required by CalSTRS, all part-time service for CalSTRS members must be reported against an annual, Full-Time Equivalent (FTE) salary. To assist us in converting the various hourly/daily pay rates and lump sums to annual salaries, we are requesting that each district certify the full-time equivalent days/hours for classroom teachers and adjunct faculty. This will be used only as a default when the information is not provided through the payroll process.
