RE: **Educational Planner Draft Contract**

Date: October 22, 2012

Recommend that the Board of School Directors approve the contract for Educational Planning Services to Brainspaces, Inc. in the amount of $78,000.00.

Background: Based on comments from the Board of School Directors and District Solicitor, a revised contract has been negotiated. Changes include; reduction to estimated expenses for additional visits (this is still estimated and actual expenses would be verified by receipts), reduction in interest for past due invoices, revisions to ownership and copyrights, and revisions to mediation and litigation.
