| Public Records Requested (Description of Documents or Information Requested): | On July 22 you provided a FOIA request for a listing (inventory) of Band instruments by school. That request provided data for the school year of 2024-25. You indicated that the information for 2025-2026 was being updated. Thus, I then put in a FOIA request for these data when they became available. I would like to modify this current (most recent ) request by asking you to provide what data are currently available in the CutTime system realizing the Information in all schools maybe incomplete. |
