August 2026

Dear MERS Families,

Welcome to the Manalapan-Englishtown Regional School District! I hope you are enjoying a safe, healthy, and relaxing summer. As we prepare to welcome our students back for the upcoming school year, we would like to share important information regarding access to our Student Information System.

Our district will continue to utilize Genesis as our Student Information System. The Genesis Parent Portal provides timely and important information specific to your child and their school. Please note that the Parent Portal will be closed from August 3rd through August 16th for annual updates and maintenance.

Access to the Parent Portal will resume on August 17, 2026. Upon logging in, you will be required to review, complete, and electronically sign all beginning-of-year forms before gaining full access to the system.

Please be advised that **your child's teacher assignment and transportation information will be available in the Parent Portal after 10:00 a.m. on August 21, 2026**. This information will only be accessible once all required forms have been completed. We also encourage families to check the Parent Portal again prior to the first day of school in case there are any updates to transportation information.

For families new to the district, login credentials will be sent via email on August 17, 2026 to the email address provided during registration. If you do not receive this email, please contact genesishelp@mersnj.us or your child's school main office. Returning families should continue to use their existing login credentials.

If you need assistance with your Parent Portal account during the school year, you may:

- Select the "Forgot My Password" option on the Parent Portal login page.
- Email genesishelp@mersnj.us.
- Contact your child's school main office.

If you have any additional questions, please contact your child's school.

Thank you,

Jodi Pepchinski
