# Abrakadoodle Art Program

## We are Up, Up and Away!

Like balloons in the sky, we are up, up and away. We will learn about the Polish art of paper cutting called Wycinanki. We will focus on designs from the Lowicz Region, which layer paper to create a colorful dramatic effect. Also, we'll simulate "gilding" – an art form widely used by the ancient Romans. We will learn about two great American artists – LeRoy Neiman, known best for his art depicting sports and circus animals, and Norman Rockwell,
who recorded everyday life in his paintings.
In addition, we will have a fun Clay-Play-Time! We will squish, squeeze, roll, pinch and press! We will use color and shape the clay to sculpt balloon dogs, lily pads, ladybugs, dinosaurs, unicorns, and more!

KIDS CHOICE KARATE PROGRAM

# Kids Choice After School Karate Fall 2026

This semester in the Kids Choice Karate program, we are going to focus on school self-defense with an emphasis on striking as the last option. We will strike so our students will need a mouthpiece for the class. The goal is to teach (2) self-defense moves and how to execute proper kicks and use them in a combination. We hope to increase the student's awareness to avoid conflict within the walls of the school but not to become a punching bag in the process.

**Registration Deadline:** Sept 4th (please call if you must register after the deadline)

**Cost of program:** $250 for the semester **cash (preferred) or Zelle 8323395064**

**Please turn in cash to the front desk**

Uniforms are **optional** and available for purchase upon request. The usage of the uniform is restricted to belt promotion days due to the challenges of dressing out before class.

**Date:** Wednesdays starting Sept 2nd to Dec 2nd

**Time:** 3:15pm-4:10pm

**Please call Derrick Stinson at (832)339-5064 with any questions, comments or concerns.**
