COMMUNITY SERVICE

Cami Wickwire was 1982 Pend Oreille County Princess. She spent most of her week ends traveling to different rodeos. She had lots of fun representing the county.

The Pend Oreille Fair Queen for 1982 was Hedy Deerwester. She attended many parades, fairs, and rodeos during her reign.

Business Week 1982

Cyndy Loughney and Lisa Walden were selected to attend a fun filled educational week at Whitworth College. They were sponsored by area businesses. They learned how to manage a business, by a computer game, visited area businesses and attended lectures. There were numerous fun activities, such as dances, movies, competitions, waterfights and much more. They learned a lot.

On April 24 Wendy Schmitz was chosen to serve Newport's Junior Miss. First Princess was Angela Dill and second Princess was Missy Kirishian. During the summer they went to parades, rodeos and tryouts. They did a wonderful job on representing Newport. Wendy also attended State Junior Miss Pagent.

Student Government

Boy, did I have a blast! Cusick, Chewelah, Medical Lake and Springdale were invited to my school for Student Govenment Day. I learned how to get involved in school activities and to be a leader. I was given plenty of fund raiser ideas and ways to involve more people through better communication. I met so many people and have made a lot of new friends.

I had a hard time in Football, yet it was worth it. My practices were also tough but they payed off in my games. The most difficult of which was probably against Chewelah, but in the end I still pulled it out. I must admit I would rather forget some of the games, like against Colville, but I still showed some good moves.

With almost everyone participating in the dress up day Homecoming was one of the best ever! There were only three dress up days: punk rock, cowboys and Indians, and black and red. FFA won the float competition with the Seniors coming in second, Sophomores third, Freshman fourth, and Juniors last. All in all, Homecoming was extremely outstanding.

CLUBS

HONOR SOCIETY

I've been broadening my mind in Honor Society this year. I visited Spokane Community College and Eastern Washington to see what college life is like. I also sponsored a dance and have sold concessions at the games. I tapped new members into Honor Society, boy were they thrilled. I must admit I've really been enjoying myself.

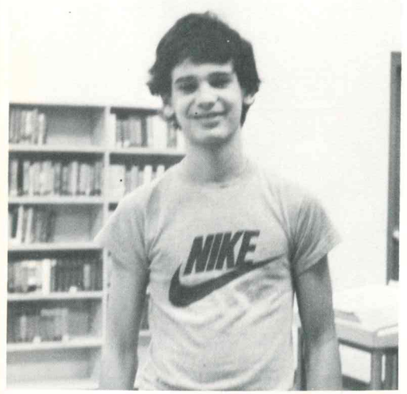
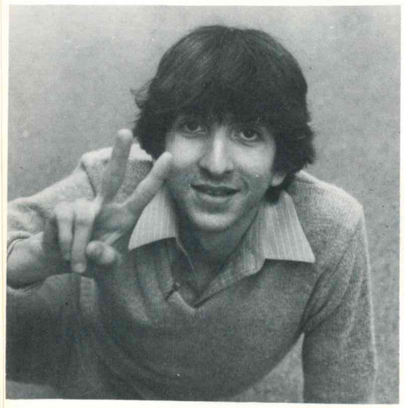
FOREIGN EXCHANGE



LUIZ BARROS - Luiz became a guest of the Werners' house for his Junior year here in the United States. He came from the city of Sao Paulo which is in the South Eastern part of Brazil. There he lives with his mom, dad, two sisters and one brother. After school gets out here he will go back to Brazil and graduate in one and a half years. In Brazil summer vacation is December, January and February, then school begins in February. They get one month off for winter vacation, which is July. Luiz enjoys playing basketball and watching sports.



JAIME LESMES - Jaime came to the United States from Cartagena, Columbia, where he lives on the equator, which is constantly 80°. Jaime is staying with the Wareham's. He came from a family with one older sister and one younger brother. Jaime enjoys sailing. He had his own sailboat but sold it so he could come to America. His school only consists of 300 people including elementary. Jaime said he would like to come back to America to visit and he likes the people, but he said they're a little bit weird.

GEORGIA LOBO - Georgia came to Washington from Rio De Janeiro, Brazil. Georgia spent the year living with the Hovey's. In Brazil, she is always down at the beach or riding her bike to the movies. Georgia has already graduated from Brazil and is a senior at Newport High. Georgia likes America very much and would like to go to college here in the United States, but says it will be expensive.

SPANISH CLUB

This year the Spanish Club was voted in as a new Club in our School. I've been doing so much. First of all I learned a lot in our monthly meetings about Spanish cultures and customs. I also went into Spokane twice to increase my knowledge in these areas. At Christmas I had great fun making the Pinata and raffling it off. I also helped made Christmas goodies.

Boy am I an awesome skier! Ha, ha --- I'm only kidding. Actually I've had an excellent season. There were eight regular ski days and then the season finale, Mogulepecker Day. I carried the majestic mogulepecker down the ski hill and performed the annual ritual of bidding the lodge's stuffed moose head adieu. All in all it was a most memorable season.

I've been so busy this year. I attended two regional conferences and I'm planning to go to the State Conference at Seattle in April. Every Valentines Day I hold a gigantic flower sale transforming NHS into a bountiful garden. A blow for women's lib was struck when I held the annual Sadie Hawkins dance which is traditionally girl ask guy. In all my year has been excellent!

FFA

I had so much fun in FFA this year. I judged at the Spokane Interstate Fair and at the National Stock Show, hauled fire wood, went swimming at the YMCA, and I even went to a forestry contest. I'll even be showing up at the State FFA Conference in Pullman. I get to participate in many fun activities and learn at the same time.

FHA

In FHA, I am doing many fun activities. I hosted the Regional Meeting, at NHS and invited thirteen other schools to attend. For fund raisers I sold candy canes, calendars and appointment books. Some of the fun activities I went to were a banana split session and a pizza party. In March, I am going to a March of Dimes Conference and I will be participating in the Mother's March to raise money to help fight birth defects. I am planning to make an appearance in a style show in May. It has been a busy year and I've had a great time.

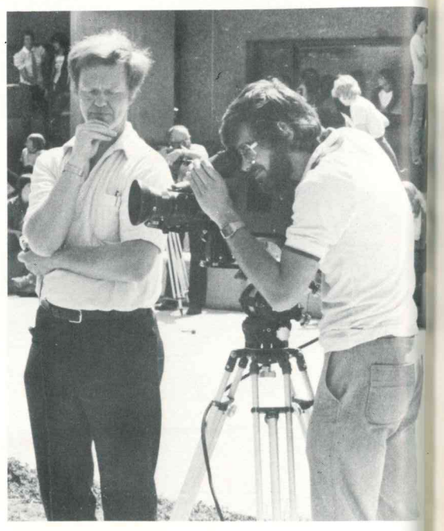
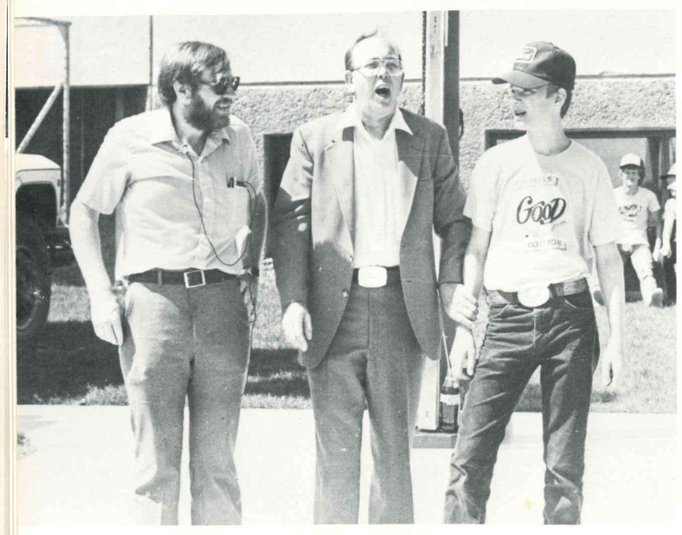
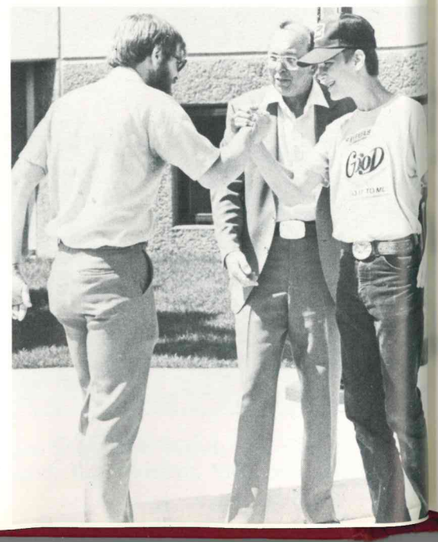
The Great Soda Straw

Just how far can air pressure force water up a straw? That is the question I posed to my eighth grade Science Students. Well, as KHQ-TV filmed for KIDS WORLD, Ron Opp proved to all that he could suck water up a straw over 19 feet.







The program was aired on KHQ-TV at 6 o'clock on July 31st, 1983.

GIRLS BASKETBALL

This year the girl's Varsity Basketball team did quite well. My coach was Mr. Hays. I played 26 games and won 16.

The Christmas Tournament was held on home court. The teams that participated were Republic, Cusick and Priest River. My first game was played against Cusick and was a very easy win. The next night I played Republic; it was a good game but I couldn't seem to get ahead. I received a second place trophy. I finished the season winning most of my games. The first game was against Riverside. Freeman was my second game and I won both of them. I lost my third game with Freeman. The last game was the deciding game on who would go to state. I played a really good game and found myself on the way to the State A Tournament. My first game was against Columbia Burbank (46-34), a loss for Newport. My next game (43-40) was against Ridgefield. Another disappointing loss. Although I didn't place at state, all in all I had a great season.

Mr. Schultz coached the Junior Varsity and C squad girls. Both teams were small, so a lot of their games they combined the teams as one. They showed improvement as the season progressed. Both teams did well.

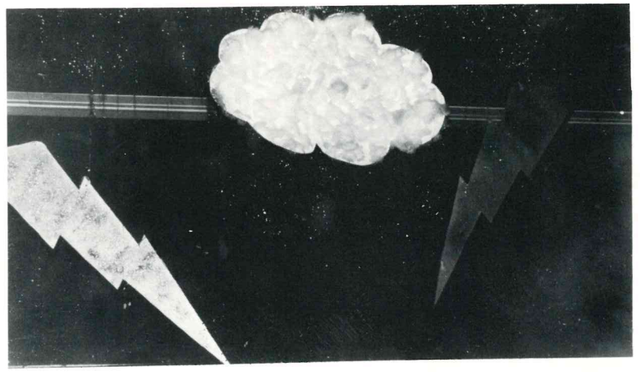
STORMY NIGHTS



"Stormy Nights" was a unique theme for the prom this year, it really was raining. But inside it was warm and cozy for the many couples that attended. The JUNIORS worked hard and did a good job on the decorations. We danced to the tune of Sleeper, and munched on peanuts and mints.
