OUR SCHOOL

The International Christian School of Budapest was established in 1994 in Diósd, Hungary, located on the outskirts of Hungary's capital, Budapest. ICSB is a Christian, English-speaking school that enrolls and instructs students from pre-first through 12th grade. Students receive an American-based education and, upon graduation, a fully accredited United States high school diploma. Our graduates are admitted to post-secondary institutions around the world.

OUR PROGRAM

ICSB emphasizes academic growth, but also nurtures our students' social, emotional, physical, and spiritual development. Our core values emphasize growth, integrity, and community.

We offer a rigorous academic environment, and, beginning with courses taken in 2023-2024, we use a weighted grading scale, with more weight (up to 5.0) given to AP Courses. Grade point average (GPA) is calculated only with ICSB coursework. Our students come from many different educational backgrounds, including national language schools and home or online schools. As a result, ICSB does not rank students.

ICSB also offers a variety of co-curricular activities including National Honor Society (NHS), music and drama productions, choir and instrumental groups, and field trips. ICSB's athletics program includes soccer, volleyball, basketball, and track and field. Our teams participate in the Danube Valley Athletic Conference.
