Advisory Board Meeting Minutes

Wednesday, November 19th, 2025 3:30 pm – 4:30 pm

The meeting was called to order at 3:38 pm.

Mr. Green welcomed everyone to the meeting. We went around the room and introduced ourselves to everyone. Mr. Green reviewed the academies mission and Mrs. Guillory went over NSOPs.

Mr. Green mentioned that they were working on getting a student and parent to attend the next meeting.

Ms. Johnston talked about the April 8th Mock Interview Day and invited members of the advisory board to participate.

There was discussion about having a weld day the same day as the mock interview day.

Mr. Woods spoke about the upcoming HLSR Industrial Craft Contest. He mentioned Mr. Hilton coming and working with the students focusing on safety.

Mr. Greem mentioned the Silsbee HS weld contest on December 5th.

Mr. Green and Mr. Hathaway gave us an update on the welding program. They shared about the field trip for Juniors to San Jacinto College to tour the NDT program.

No admin report, other than to say the program is doing well and to keep up the good work.

Update Goals

I. Defined Mission & Goals		
Goal 1	Increase # of industry-based certifications (AWS and NCCER) earned by academy students by 25% by the end of the 25-26 school year.	Specific number of students passing data from NCCER and AWS)
Goal 2	Conduct mock job interviews for all juniors in the Manufacturing & Industrial Maintenance Academy by the end of the 25-26 school year.	Data collection from events sign-in sheets.
Goal 3	Provide all Junior and Senior students in the Manufacturing & Industrial Maintenance Academy at least one opportunity to visit a job site or post-secondary facility to observe industry professionals at work by the end of their 25-26 school year.	Data collection from events sign-in sheets.

The committee reviewed data on goal 1 and had a discussion on what we should be changed.

During the open discussion the committee talked about this years Fit and Fab competition. The competition will be in April.

Mrs. Guillory gave an update on the HS Options process.

The committee was reminded that the next meeting date would be February 25 at 4:30pm.

The meeting was adjourned at 4:20 pm.
