ICSB's Enduring Mission

For three decades now, ICSB has served families “by providing their children with an excellent, biblically-based, college-preparatory education, in an environment that encourages them to become wholehearted followers of Christ."

Our vision includes seeing ICSB students mature as:

- Christ-Followers
- Active Thinkers
- Effective Communicators
- Global Citizens
- Faithful Stewards

2023-2024 In Review

This year marked our 30th year of operation, and God's faithfulness in providing for the ICSB community was once again on display!

Students served others by:

- Raising funds for the Salvation Army's Christmas Outreach
- Collecting food items for Dorkász Szolgálat
- Upper School NHS community service days

- Our students entertained and inspired us once again with musical performances of Aladdin and Godspell.

Check out the dozens of news posts our Communications Team has published this year!

LOWER SCHOOL

"Our community thrived this year through House games that fostered bonds across grades. Our commitment to growth was mirrored in our Celebrations of Learning and enriching field trips. Our integrity shone during Spiritual Impact week as students put faith into action."

David Kelley, Lower School Principal

UPPER SCHOOL

"What a great year it has been. God has placed each of us here to learn, grow, struggle, and achieve together. Throughout this year, we have been presented with opportunities to build friendships, grow personally, and most importantly, deepen our relationship with the Lord."
