ASHWAUBENON SCHOOL DISTRICT

Ashwaubenon Jaguars Football Attendance Reminders

The 2026 football season is well underway. We have home games on 9/17 (Thursday night), 10/2 (Homecoming), and 10/16 (Senior Night). It is expected that our middle school attendees sit in the designated section for our 6th through 8th grade students next to the high school student section, if they are not next to their parent/guardian. Elementary students should be sitting with their parent/guardian in the bleachers. In addition, both middle school students and elementary students will be expected to enter with their own parent/guardian who can be communicated with during the game, if a need arises.

Middle school and elementary students will not be allowed to enter the gates without their parent/guardians.

This is also applies to all home high school athletic events in the fieldhouse (volleyball, wrestling, basketball).

Tickets and family passes for high school events can be purchased at Go Fan.

We ask for your support in this matter by reviewing these expectations with your child if he/she plans to attend the Ashwaubenon High School home football games to ensure your child knows the following will not be tolerated:

- Entering roped off areas
- Physical horseplay
- Excessive wandering around
- Profanity
- Playing on the practice field and/or equipment north of the visiting bleachers
- No backpacks are allowed as you enter the game
- No footballs, soccer balls, etc. allowed into the game

Remember that we all should be focusing on the real reason for being at these events, cheering the Jaguars onto victory! If you have questions, please contact Nick Senger, AD/AP at Ashwaubenon High School.

Go Jags!
