

CONTROVERSIAL ISSUES/GUEST SPEAKERS

The district shall offer courses of study which will afford learning experiences appropriate to the level of student understanding. The instructional program shall respect the right of students to face issues, to have free access to information, to study under teachers in situations free from prejudice and to form, hold, and express their own opinions without personal prejudice or discrimination. The district encourages staff members to provide for the free and orderly flow and examination of ideas so that students may gain the skills to gather and arrange facts, discriminate between facts and opinion, discuss differing viewpoints, analyze problems and draw their own tentative conclusions.
