

Scoring Rubric

Application Pre-Screening

Criteria	Decision
If the application is submitted by an adult, there is evidence of student sponsorship	If no, application eliminated, do not score
If the application is for a travel experience, does the quote come from a district approved travel partner?	If no, application eliminated, do not score
Are students the primary beneficiaries of the proposed materials/project/equipment?	If the application is for an opportunity for adults (college credit, professional development, etc.), do not score
Is the application for an experience that will occur before the end of this school year?	If no, application eliminated, do not score. Funding is only for events occurring in the current academic year.
Does any part of the plan conflict with board policy?	If there is a conflict, identify the policy that is not followed to share as feedback with the applicant. Application is eliminated, do not score

If the application has met the above criteria, please use the rubric on the following page to score.

Get More Opportunities Fund 3.0 Scoring Rubric 2025-2026
