

STUDENT CONDUCT EXPECTATIONS AND REASONABLE SANCTIONS

The board acknowledges that conduct and behavior is closely associated with learning. An effective instructional program requires a wholesome and orderly school environment. The board requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the school day as well as during any school activity conducted on or off campus. Special rules are also applicable while riding on a school bus.

Students are expected to:

- A. Respect the rights, person and property of others;
- B. Pursue the required course of study;
- C. Preserve the degree of order necessary for a positive climate for learning; and
- D. Comply with district rules and regulations;
- E. Submit to the authority of staff and reasonable discipline imposed by school employees respond accordingly.

Any student, who willfully performs any act which negatively impacts others, or which materially interferes with, or is detrimental to the orderly operation of a school, a school-sponsored activity or any other aspect of the educational process within the South Kitsap School District, shall be subject to discipline, up to and including expulsion.

The Board also recognizes that schools must take reasonable steps so that students who fail to adhere to the district's rules and regulations and who receive discipline for such misconduct remain engaged or are effectively reengaged in their educational program.

The superintendent will develop written rules of conduct which will carry out the intent of the board and establish procedures necessary to implement this policy.
