

## **STUDENT DRIVING**

Parents and students bear the sole responsibility for the use of motor vehicles and bicycles for travel to and from school. Students' driving a vehicle on school property is permissible at South Kitsap High School, the District Office and Transportation Complex, and at the Alternative High School. Students may drive on elementary and junior high school property only as outlined in procedures 3243P. The superintendent will develop procedures governing the use of bicycles and motor vehicles while on school property and will disseminate those procedures to all students so affected. To maintain the privilege of driving a vehicle on school property as defined above, a student must conform to the rules specified in Procedure 3243P.
