EARLY CAREER COMMUNITY OF PRACTICE

First Tuesdays of the month from 4:15 pm to 5:45 pm
Oct 6, Nov 3, Dec 1, Jan 5, Feb 2, Mar 2, Apr 6, May 4

This monthly Community of Practice is designed to support educators across all grade levels during their first five years of teaching. Each session will blend practical professional learning and instructional strategies with dedicated time to connect, collaborate, and learn from fellow educators. Together, we'll explore important topics such as classroom routines and management, communication with students, families, and colleagues, and educator wellness. Returning Novice Educator and Early Momentum CoP participants will also have opportunities to deepen their learning, reflect on their practice, and build on strategies from previous sessions.
