Again, thanks to you and school officials for the offer to meet with them to walk me through the plan in person. I'm unsure what school officials would or should be involved in this meeting. However, I would suggest Dr Rodriguez, Dr Cox and Dr Stratos. My suggestion is based on the fact that these individuals apparently have been involved or suggested to have been involved in the past. See the attached screen print of a May 3rd email from Dr. Stratos to myself. I realize finding a mutual time that all three of these individuals can meet may be difficult, but I will try to make myself available whenever they suggest.

Thanks again,

Jim Miller

That would be great and would be glad to make myself available to meet with officials. I'm basically available any time during the remainder of the current week or anytime next week.

Thanks in advance for arranging this.

Dear Mr. Miller-

As your request is for a fluid working plan that is consistently reviewed and adjusted based on the needs of teachers, students, and schools, representatives from the instructional services department have kindly offered to meet with you at the District Office and walk you through the plan in person, as well as address any questions you may have.

Please let me know your availability so we can get this scheduled at a time that works for you, as well as for instructional services.
