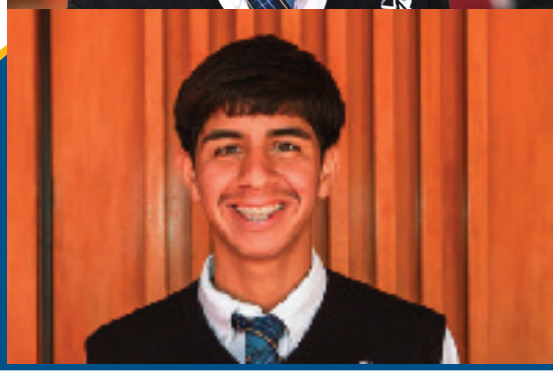
ABOUT CRISTO REY

Opened in Fall 2023, Cristo Rey Orange County is a Cristo Rey Network school delivering a career focused, college preparatory education in the Catholic tradition for students with limited economic resources. Uniquely integrating rigorous academic curricula with four years of professional work experience we support students to and through college. With your support, our students are off to a strong start on their journey to succeeding in college, accessing meaningful careers, and leading purpose-filled lives of faith. As we move to our new campus, and graduate our founding class this fourth school year, we want to invite friends and partners to showcase your support and invest in our students by sponsoring our events. As a new school, we do not have an alumni base to help support our mission - making your partnership even more critical.



THANK YOU FOR EMPOWERING OUR STUDENTS TO COLLEGE, CAREERS, AND HEAVEN.
