Dedication

To Mrs. Ann Dorsey with thanks and appreciation

We would like to dedicate the "88" edition of the Echo to a person who always finds time to do what seems to us as everything! She always has a smile and a cheerful "Hello" to students, administration, and faculty. She has a quiet, gentle disposition and a sweet smile which is appreciated by everyone, from an upset Kindergartener who needs the nurse, to a late Senior who needs a pass.

For 14 years she's served Angelica Central School. Who would have thought she'd never complain about hearing "Can I use the phone?" or "I need to buy a pencil?"

She has given so much to Angelica Central School, not only as a secretary, but also as a friend.

Thank you, Mrs. Dorsey for everything!!

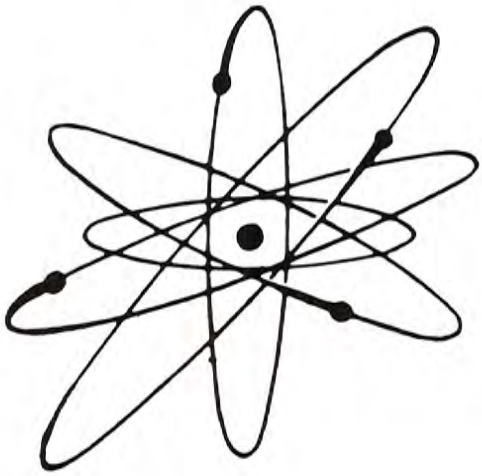
SENIORS TOUR TORONTO

Friday, May 28th, a small group of excited Seniors left Angelica on our way to Toronto. Once in Toronto, our tour started at the Metro Toronto Zoo where we saw over 4,000 animals in surroundings as close to their natural habitations as possible. From there, we went to the Sheraton Centre Hotel, where we stayed for the next two nights. At the hotel we were able to swim, freshen up, or sleep (?) before we went to dinner at the Spaghetti Factory. After dinner off we went to the CN Tower where a short film was seen and a ride to the top of the tower for those who dared! Then back to the hotel for our own FUN!

Saturday, the 29th, began at the Ontario Science Centre. Here we saw over 700 mind-bending exhibits. Next we went to the Eaton Centre where the girls had a blast with over 300 shops to go to. For dinner we were served at the Second City Theatre, where the Second City cast performed a comedy show for us. After that we traveled to the McLaughin Planetarium to see a laser show set to music.

Sunday, the 30th, we checked out after eating a large buffet breakfast, and paying our bills, of course! Our first stop on the way home was Niagara Falls, Ontario and Maple Leaf Village. Here we had time to enjoy all the facilities and eat lunch at one of the many international restaurants. Our tour ended with a visit to the Skylon Tower where we browsed through the gift shops and took a ride to the top of the tower to see the beautiful Falls. All of the weary travelers got back on the bus and headed the rest of the miles home.



Prom 1987

This year the Business Ownership & Marketing class opened our first ACS school store called "Supplies "R" Us. To get started a Rock-a-Thon was held in the Business Room. Paper products, school supplies, and other little odds-n-ends were featured to students and faculty. With the profit made, the entrepreneurs were able to go out to dinner and buy a gift for the school.
