1993 DEDICATION

During his 17 years at Angelica this faculty member has served as a coach, a class advisor, and a friend, as well as being a dedicated teacher. He has coached many Jr. High Basketball and Soccer teams, has been involved with Student Council, and has put up with many Senior Classes anxious to graduate. He has always been willing to take time out of his busy schedule to help any student who needed it.

For all this we thank you. You have been a part of making our dreams come true and preparing us for the future.

We are proud to dedicate the 1993 Echo Yearbook to Mr. Rogers.

Superintendent

MR. BACKER

To the Class of 1993:

Each is given a bag of tools,
A shapeless mass,
A book of rules,
And each must make,
Ere life is flown
A stumbling block
Or a stepping stone.

R. L. Sharpe

The choice is yours. May God Bless!

Mr. Backer

MR. PIERCE

Principal

I consider a human soul without education like marble still in a quarry, which shows none of its inherent beauty until the skill of a polisher sketches out the colors, makes the surface shine and discovers every ornamental cloud, spot, and vein that runs throughout the body of it. Seniors, you are now out of the quarry; the more education you receive, the more you'll shine and be admired by others.

My pet is very special. I love my pet and it loves me back. My pet follows me everywhere. My pet likes to play with me.

I always hug my pet when I'm home. My pet tries to lick me when I get home from school because he missed me. There's no other animal in the world like a pet.

My pet is the One and Only.

THE ONE AND ONLY

I am the one and only
and you are too.
The one and only
is everyone
because we are all

We are black and white

Sports

Boy's Soccer

The 1992 Boys Soccer team were the champions of Allegany County Division II with a 10-3-2 league record. They also advanced to the finals of the Section V Class D tournament where they lost to Canaseraga 2-1. They finished with an overall record of 13-6-2. A good number of younger players are returning next year and will hopefully carry on the strong tradition of boys soccer at ACS.

"The girls finished the season with a record of 3-11-3. They actually had a better season than the record states. The girls lost 7 of their 11 games by 2 or less goals. They started out the season at the Belmont Tournament where they beat Richburg in the first round, by winning in shootout. The team then advanced to play Belmont in the final, where they lost. The girls improved a lot, being a very young squad. I am looking forward to next year. Nice job girls."

"QUOTABLE QUOTE"

This year the Varsity Basketball team has improved in both play and attitude. Rebounding from a 1-15 record last year Angelica is looking to gain some respect as a top team. With a new coach, Mark Erb, the Raiders are starting to change the game to old Angelica play. We look forward to sectionals and hope to gain our respect.

"Even though the 1991-1992 season did not record many wins, the members of the Angelica Lady Raiders Varsity Basketball Team learned many skills and the importance of teamwork. With that foundation, we look forward to an exciting season. We have set many goals for this year, including making sectionals. Coach Duttweiler has been working us hard, but also making practices fun. Under his leadership, we're encouraged to "play like a champion" every day."

The girls softball team consisted of many young players last year, but ended the season with a winning record.

The girls started the season off with one loss then 6 wins in a row, beating a few teams by more than 20 runs. They ended the regular season with a 7-6 record.

Entering sectional play; the first game was against Bradford, which the girls won 26-11, advancing to the next round against Arkport, beating them 22-9. The team then entered the semifinals against Prattsburg, the number one seeded team and lost 10-3.

Congratulations on a great season!

Yearbook Staff

Yearbook Staff Members,

This year the yearbook has gone really well. We've managed to get the community and parents involved, as well as the student body.

As Editor, I would like to thank the yearbook staff who worked hard getting this yearbook ready by deadline. I would especially like to thank the Seniors on the staff who came up with some good ideas that helped to improve the yearbook and make it better.

I think everyone should thank Miss Perkins for all her hard work and dedication. We all appreciate it.

Thanks Again,
Amber Grastorf

93 THE YEAR

NINETY-THREE

The one and only time I left you,
with people I didn't know
was your first day of Kindergarten
I tried not to let my sorrow show.
I walked away from school
with a teardrop in my eye
My baby was growing up
A fact I couldn't deny.
That was only the beginning
of the one and only times ahead.
You grew in so many ways
from grade one to sixth, time sped.
Musical concerts, teachers conference,
homework, skits, the loss of your first tooth
your first special friend, report cards, and
the attempt at playing the flute.
Then on to High School,
the time is going too fast.
You're growing oh too quickly,
ACS will soon be in your past.
Boys, fashion, cheerleading, SADD,
are your interests as you grow.
Soccer, softball, good grades, and art,
rafting, skiing, working on the Echo.
Here you are in your Senior year
ACS has taken my little girl
and from nineteen eighty to nineteen ninety three
has turned her into a shining pearl.
As we approach your graduation
I look back on all the years
and fondly reflect upon
all the smiles, tears, and cheers.
Now I must open up my arms,
release my protective embrace
so you can go into this world
to find your one and only place,
and be content with
the memories I will find
in the Echoes left behind.
