dedication

merle case

The Class of 1965 would like to pay special tribute to you for your devoted service to our school. We can find you almost anywhere: in the boiler room, cutting the grass, adjusting a thermostat or fixing a locker, but we can never seem to find you in your office. We'll never forget your friendliness and understanding. Your patience and generosity will always be remembered at Angelica.

We salute you. . .

administration

message from
administration

A good general education is just one phase of the ever present, the ever important learning process towards ones Life Goals.

Perhaps the greatest single cause of failure among young people today is the lack of a definite aim in life. They are conducting their affairs by guess instead of by chart and compass. The person who has no objective is floundering in a sea of indecision, caught in the whirlpool of life--going nowhere.

In setting up an objective we must see that it is a practical one. It must be worthwhile to society and a satisfaction of our desires and needs.

When one decides upon an objective in life, he must accept the means necessary to the accomplishment of this end.

The desire to accomplish an objective, the working tools of life and the will power to carry out the necessary steps to accomplish this end, form an unbeatable team towards ones fulfillment of his life time ambitions.

ACME ELECTRIC CORPORATION Cuba, New York

Five is a delightful and exceedingly active age. To fulfill our needs, our kindergarten program is very flexible. It is rich in first hand experiences. We have many opportunities for active dramatic play, experimentation, conversation and creative expression. Given the motivation and materials, we can produce the most imaginative and unexpected results!

activities

The girls soccer team had a successful season this year--winning 3, losing 2, and tying 2. The team was one of many from surrounding schools in the county that participated in the first girls soccer tournament held in Friendship. They played in all kinds of weather and although they suffered slight injuries, they had fun in the process.

soccer

The soccer team turned in a victorious season as they brought back the first soccer trophy in the history of Angelica Central School. With the fine coaching job by Mr. Dewey and a great team effort, they managed to defeat Canaseraga for a respectable record of 6-2-3 and the Class D championship.

volleyball

The volleyball team completed the season by winning the county championship. They were undefeated through county competition and lost to Prattsburg for the sectional crown.

intramurals

Competition between grades was strong this year as the finalists, juniors and seniors, battled for the intramural championship. The senior boys emerged as winners for the second year in a row while the senior girls, alas and alack, lost to the junior girls.

baseball

Our high school baseball team compiled a 6-4 win-loss record through this year's season. The future looks very bright for the ACS baseball nine with many lettermen returning for the '66 season.

In his first season, Coach Brozovich had a record of which the students were proud, winning 17 games and losing 3. This year's varsity was a well-balanced and experienced team. Two record breaking 100 point games were seen this season.

Our Junior Varsity team had a very fine season. They had the winning combination of height and shooting ability and although a young team, they did very well. Coach Murphy's second year record ended with a team total of 12 wins and 4 losses. We hope to see many of these faces on the varsity squad next year.

basketball

cheerleaders

The girls did a wonderful job of creating an atmosphere for good sportsmanship and cheering on a fine team. Combining the varsity and junior varsity squads was an experiment that proved itself overwhelmingly successful.

all-stars

Four of our basketball players made the county all-stars this year. Bill Young and Jim Piatt were selected to the first team. John Schwartz and Bill Ross made the second team. Players who made the first team enjoyed a steak dinner at the Castle sponsored by the Olean Times Herald.

The senior majorettes worked very hard this year. In the Memorial Day parade they showed much skill and also marched in two parades during the summer. They began holding practices Tuesday and Thursday nights in the middle of May. Next year they hope to obtain new uniforms and continue their hard work.

senior majorettes

senior band

This year's senior band, although it was small, had a very successful year. Under the direction of Mr. Hurd they completed several concerts. One of the members made all-county band for the third consecutive year. Congratulations to Dave Haggstrom.

junior majorettes

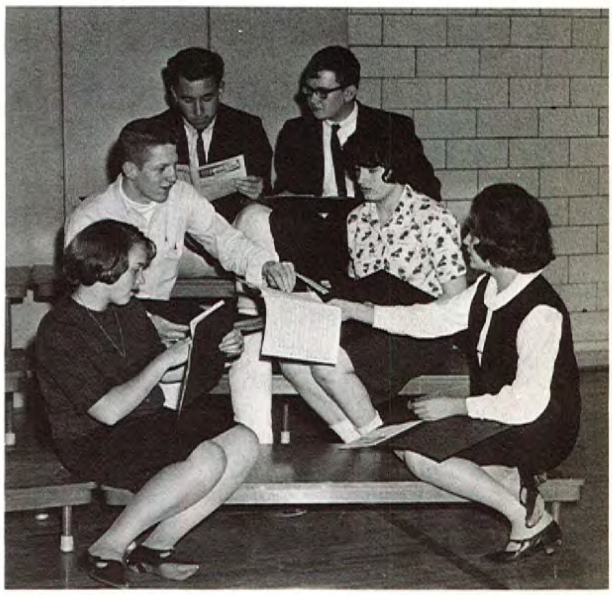
The Junior Majorettes consisted of a group of girls from grades 4, 5, and 6. Most of the girls have been in Junior Majorettes for at least two years. Each year they have done something special. This year they put on a concert in the park for everyone's entertainment.

junior band

The Junior Band this year was composed of some select 5th and 6th graders who have shown interest in instrumental music. Our hard work and determination, in spite of the unusual sounds, led to much progress and we were able to present two numbers in the fall concert.

quartet

The quartet, under the direction of Mr. Hurd, consists of Jeanne Kelley-tenor, Anita Child-lead, Stephanie Barton-baritone, and Doreen Benjamin-bass. During the past year they sang for the alumni banquet finishing their third year of singing as a group.



This year the Music Council had six members who because of careful preparation enjoyed a particularly successful year. This council was organized for the betterment of the Music Department.

music council

chorus

Under the supervision of Mr. Hurd, the chorus completed several pieces and presented them in concerts throughout the year. Mr. Hurd referred to the chorus as the best he has had but then it is also the first.

jim piatt

The Student Court is composed of the President, Vice-President, Secretary, Treasurer, and one rotating member of Student Council. It has been organized to give the students self-government. Punishment was meted out to suit the offense after an impartial trial presided over by the President of Student Council. The Student Court has proven to be a unique experience.

student court

sarah

It has been our most fortunate experience to have as members of student body, Sarah and Joel Kendy and Steven Mabil, coming from their homeland, Kenya, Africa to Angelica, U. S. A. to further their education. While improving their own education, they have also improved the education of our students. We are looking forward to their next few years at our school.
