Dedication

The 1983 Echo is dedicated to a person who always found time (and we kept her busy), to someone who always had a smile and a cheerful "Hello" for us even if we were late. Her quiet gentle disposition and sweet voice brightened our school halls. Someone who has given us so much of her time, who always helped us with the books, or gave us a pass if we were late. We will all miss you when you are no longer here. YOU have given so much to Angelica Central School, not only as a much needed secretary, but also as a friend.

Thank you, Mrs. Dowd for everything.
