IN APPRECIATION OF MRS. LENA DOWD

The Senior Class of 1972 feels that this dedication is long overdue. You have long been and intregal part of the workings of our school, which we are thankful for.

As elementary students we remember our fearful trips to the high school wing which were made easier by your smile. Your generosities ranged from acting as mother by sewing up our britches to nurse by patching our little bodies.

As we entered high school you were always there with pen in hand and passes on the desk ready to be written out. You have taken over the duties of principal on many occasions, and never aired a complaint. We will never forget the help and advice you gave us on many of our class activities.

For these and many other reasons we dedicate this yearbook to you, Mrs. Lena Dowd.

Now add one eye of newt, 3 bat wings, and 1 cup of grape juice.

My legs are killing me!

Now I lay me down to sleep . . .

I simply don't understand!

I know I have a pass here somewhere.
