**Re: Hagan Scholarship — Application Now Open, Deadline December 1, 2026**

A personal word from a counselor is often what convinces a qualified student to apply. The Hagan Scholarship is a **need-based merit scholarship worth up to $60,000** that gives goal-driven seniors the opportunity to graduate college debt-free. HSF has awarded **6,920 scholarships** to students attending 745 colleges and universities in all 50 states and D.C. We awarded 1,326 new scholarships this year and **can award up to 1,500 for 2027–2028**; several students from the same school are often selected.

**Please Encourage Seniors Who:**

- Attend a U.S. public, private, charter, magnet, or STEM high school, regardless of citizenship.
- Have a **3.50 CGPA** or higher, are goal-driven, and willing to work to achieve their goals.
- Have parents whose **2025 Adjusted Gross Household Income did not exceed $125,000.**
- Will enroll in a four-year college or university in the fall 2027 semester.
- Will work 240 hours (non-family employment) from January 1, 2027, to September 1, 2027.

**What Hagan Scholars Receive:**

- Up to **$7,500 each semester for up to eight semesters.**
- $1,000 to purchase essential items for college.
- Free life-skills workshops, a personal Schwab brokerage account, HSF investment account to manage, and up to $8,000 for study abroad.
- Eligibility for a Hagan Graduate Scholarship worth up to $30,000.
- **No application fee**. FAFSA information is **not** required to apply.

**Recognition for Your Students and School:**
When a student is awarded a scholarship, we notify the high school counselor named on the student's application and provide an HSF-approved announcement that can be read during your awards ceremony, used in a school publication, or published in your local newspaper. **Please ask your students to list you as their counselor when they apply.**

Three brochures are enclosed for your counseling office, scholarship coordinator, and senior teachers. **Please print additional copies from the HSF website and provide them to students you believe are eligible**. Students can apply at **haganscholarships.org/application**. **The application deadline is December 1, 2026**. Scholarships will be awarded by May 1, 2027.

Sincerely,

Dan Hagan, Trustee
