Play and Learn Station - Preschool Program

2027-2028 School Year

Inspiration Station operates at Saint Theresa School from 7:30 am to 5:30 pm, Monday through Friday, in alignment with the school year calendar. Play and Learn Station serves as the extended day program, providing full-day care to supplement the school's part-time program. Please note that our program is closed on virtual school days and at 11:15 am on half days. We are also closed during the summer break.

Full-time rates are based on a full week of care (Monday-Friday) and already account for school closures due to holidays and breaks. There are no discounts for absences, family vacations, or snow days when the center is unexpectedly closed.

A non-refundable registration fee of $30 per child is required, and enrollment is a commitment for the entire school year.

Please be aware that our availability is limited, with priority given to returning families. If interested in part time enrollment please note we cannot guarantee that as an option at this time.

Play and Learn Station

3-year-old program

Full Week M-F $860 per month for 9 months (September through May)

4-year-old program

Full Week M-F $834 per month for 9 months (September through May)
