Helping Hands Club: A community Effort to Support Mothers and Babies

Gordon International School's, Children Helping Children initiative, led by the Helping Hands Club continues to be a beacon of hope for communities in need.

We are delighted to share that our recent initiative to assist mothers and babies at the hospital was a huge success. Last Friday 31st of May 2024, the Helping Hands Club (HHC) team, along with staff members, delivered all donations to Grace Roland, Operations and Communications Manager of Friends of POM Gen, and her team. Friends of POM Gen, the charity arm of the hospital, expressed profound gratitude for the generous donations from our school community.

This initiative reflects our school's commitment to educating and instilling values of compassion and kindness in our students. We aim to nurture selfless individuals who are equipped to give back to the community through service and generosity. By participating in these efforts, we demonstrate our care and support for those in need.

We extend our heartfelt thanks to all students, families, and staff for their unwavering support through donations and contributions during our 'Shades of Blue' Mufti. A special shout out goes to BNG TRADING COMPANY Ltd for responding to our appeal with donations of cartons of SUNBRITE laundry powder and soap.

This successful initiative would not have been possible without the incredible support of our school community. This gesture is a testament to the influence of collaborative efforts and firm commitment of our school community towards creating positive change.

Together, we are making a difference and showing that we truly care.

***HELPING HANDS CLUB**: Students Leaders with a Vision. The Helping Hands Club of Gordon International School is a dedicated team of student leaders, united by a shared vision: giving back to the community and instilling the values of empathy and kindness in our students.*

The club engages in community service for our student leaders to develop a sense of empathy and responsibility to inspire hope. Through their efforts, they aim to nurture these lifelong skills, making a positive impact both now and in the future.

ACT VISIT & WORKSHOPS

Highlights of KoroBoro Family BBQ and Bingo Night

To wrap up a hectic week, we organized a series of fun activities for students, culminating in an exciting game of bingo at our Koro site on the 24th of May, 2024. The evening was filled with laughter and joy as students kicked off the festivities with various fun activities, as shown in the photos below.

Three-legged race

Students enjoying a game of soccer

Bike riding

Students taking turns on a jumping castle

Below is a highlight of the bingo event with KoroBoro's supportive parents and staff. The excitement peaked not only with many close to shouting, "Bingo", but also with our caller, Mr. James Lane, whose charming English accent kept everyone on the edge of their seats!

BSP Visit to Koro Site to Launch Financial Literacy Program

We were thrilled to welcome BSP to our Koro site for the launch of a new Financial Literacy Program. The program provides students with valuable insights on managing finances and fosters a savings culture from an early age.

BSP has been partnering with the Brisbane Broncos Club to spread this important message to school- age students. KoroBoro students had the privilege of hearing from members of the Brisbane Broncos Club, who spoke passionately about the importance of saving and financial responsibility at an early age.

A gift presented to KoroBoro Students by one of the Broncos player.

Those who came in the Broncos color were asked to pose for a photo shoot with the players.

SRC Fundraising Day for Enga Relief Landslide Victims

KoroBoro SRC REPS organised a Mufti Day to raise funds for the Disaster Hit Area in Enga Province on the 05.04.24. It coincided with the BSP visits. The SRC raised about K1,724.50 which will be sent to the disaster hit area through IEA.

UPPER PRIMARY EXCURSION TO NBC RADIO KUNDIAWA

On Thursday, May 02nd, KIPS upper primary students visited Kundiawa Radio NBC. The excursion was based on the term one theme: "Communicating Information through Technology". Although the excursion was postponed from last term, it was a purposeful and meaningful event for the students. They were excited to witness real experience of how journalists broadcast information using the latest technological devices.

The Kundiawa NBC Team was very impressed with the visit and broadcasted their experience live on the Facebook page 'Simbu Karai Bilong Mambu'. Simbu's NBC Director, Mr Theo Thomas, expressed his appreciation, saying that KIPS was the first school in Simbu to visit the NBC radio station and they were so pleased with the visit.

Simbu Inter-School Athletics Carnival

Students at Kundiawa International School competed in the Simbu Schools Athletics Carnival over the weekend on Saturday and Sunday May 11-12th. KIPS was one of the schools who received an invitation to take part in the Kundiawa – Gembogl Schools' Athletics Carnival.

Sixteen students were selected to represent KIPS to participate in the 100m, 200m and 400m sprint at the Dickson's Oval. Four students ran in the final race and one student was selected to represent the Simbu team for the upcoming athletic in Goroka. Mega congratulations to Zoey Anna Nombri for advancing to the under 14 women's 100m team. KIPS is super proud of each of the sixteen students who participated and commend them for their efforts and dedication.

Pro-Vice Chancellor of Unitech Visits Tabubil

On Tuesday of week seven, Tabubil International School had the pleasure of hosting some special visitors. Our school welcomed, University of Technology Pro Vice Chancellor, Dr. Garry Sally, along with Dr. Fred Ssemugenyi, Director, Distance and Flexible Education and Mr Stanley Kumasimba, Star Mountain Education Foundation Inc. Manager.

The visit was a business trip to inspect, survey and identify a possible facility to establish a Unitech Satellite Open Campus to run Unitech Programs on Distance and Flexible Mode.

At a short assembly presentation followed by a site inspection, the guests encouraged TIS students to pursue further studies through the Distance and Flexible Mode.

Tabubil International School was one of the local schools selected for the site inspection. We are honoured and thank SMEF and Unitech for choosing and visiting our school. Many students were inspired by the speakers. Staff were also all encouraged to upgrade their credentials for a better tomorrow.

Building Partnerships with Star Mountain Education Foundation Inc. to Continue to Provide Quality Education to the Children of the Star Mountains.

The Star Mountain Education Foundation Inc. (SMEF) Chairman Maino Lucas and the Manager Stanley Kumasimba met with TIS teaching staff to share their plans in supporting the IEA through infrastructure development, a program that can enables staff through the Unitech Distance and Flexible Satellite Campus to upgrade and improve their skills. This initiative is part of the mine closure program and SMEF is seeking to partner with IEA—Tabubil to elevate its current status to a college level.

SMEF wants to build its human resource capacity through education and would like to work with the IEA. SMEF chairman is a strong supporter of the IEA as all of his children attended and succeeded at TIS.

State of Origin Dress down Day in Support of the Engan Landslide Victims

The game is played down under, but the fever is always felt here in Papua New Guinea. Staff and students had a State of Origin Dress Down Day in support of victims of the recent landslide in the Enga province. Everyone contributed one Kina towards this appeal. TIS students have shown empathy for children who have lost their homes and schools and our school community hopes that our small contribution can put a smile on someone's face.

Excellence-Integrity-Diversity

International Girls in ICT Day is a global initiative aimed at encouraging and empowering girls and young women to consider careers in Information and Communication Technologies (ICT).

Our guest speakers were; Major Grace Kitoneka (PNGDF). She talked about ICT in the millitary and how great the need is still for marine safety measures and monitoring in terms of ICT, she mentioned that students should work to archieve their goals. “Have dreams, and make dreams work into reality".

The keynote speaker was Ms. Saimania Ned, ICT Specialist in Computer Science. She spoke about INSPIRE and the importance to taking up challenges in a male dominated field (ICT). She also spoke about the importance of acquiring ICT digital skills now as it predicted that jobs of he future would require ICT skills instead of Bachelors, Masters or PHDs. And so it is very important that these foundational ICT skills be taken more seriously.
