School-Parent Compact

WHAT IS A SCHOOL-PARENT COMPACT?

A School Parent Elementary compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents must build and develop a partnership that will help children achieve the State 's high standards.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

Thompson Elementary recognizes that a strong partnership between families and the school is essential to support each child's academic, social-emotional, and physical development. We believe that students achieve their greatest potential when parents, guardians, educators, and school staff work collaboratively, maintain open communication, and share responsibility for student learning and success.
