Yearbook

Congratulations! Your student is a senior! As part of this important milestone, the Chieftain Yearbook offers two ways to celebrate this achievement.

1. You can have a professional photo taken and can submit it to the yearbook via the following link. However, if you choose not to get one taken, you can have your child's yearbook photo taken for free by our school photographer on school photo day. Should you submit an outside photographer's photo, it must meet the guidelines contained in the link, or it will be rejected. Senior photos are due not later than DECEMBER 4, 2026.

Senior Photos (Yearbook)

2. Parents you can purchase a senior dedication to honor your graduate in the yearbook. Prices and sizes are contained in the link below. Space is limited and sold on a first come first served basis. Only orders submitted via this Google form and payment in full submitted will be honored. Deadline for first semester pricing is DECEMBER 18, 2026.
