Let's Jump Right In!
Let's Learn With Leap Frog!

The LeapPad personal learning tools are an opportunity for parents and children to read and learn together. We are providing a backpack, LeapPad and book to be taken home and returned the next day. These materials are for check out only, and all materials will be expected to be replaced if lost or stolen. These are very sensitive materials that can be damaged if proper care is not provided. This is a joint opportunity for the parents to read and learn with their students at home. After receiving your LeapPad training, sign below that you have read this form and are ready to get started with the LeapPad experience.

_____Yes, I cannot wait to get started on the LeapPad family experience and I agree to be responsible for the materials.

_____No, I choose not to participate in this amazing LeapPad family experience. However, I do have the right to change my mind during the course of the school year.
