

Suggested School Supply List 2021-2022

-
- **Graphing Calculator TI-83 or 84 Edition (plus a supply of batteries). PUT YOUR NAME ON IT, and bring it to school each day!**
 - Pack of #2 pencils
 - Blue and/or black pens
 - Pack of colored pens
 - Two (2) composition notebook(s) or spiral notebook(s)
 - College ruled filler paper
 - Post-It notes in various sizes for annotating books & articles
 - Pack of multi-colored highlighters
 - Black 1-inch 3-ring binder (for Band, Orchestra and Choir ONLY)

** During the first week of school, each class may have a few additional, subject-specific organizational materials that will be suggested.*

Most of these school supplies should remain in your backpack as you will use them during class time. Students are encouraged to reuse and recycle. If you have these supplies at home, feel free to put them in your backpack and use them.

All ninth and tenth grade students will be provided with an International Academy Student Planner. **You do not need to buy one.**

Recommended For Home: Access to a printer and a supply of ink for work that is to be submitted in hard copy. Printing before school is strongly discouraged and often results in an unexcused tardy. **We are a Google Apps for Education School and will be also utilizing CANVAS.*
