Program Enrollment

Program Support Definitions

Onsite Support

A Healthier Generation Program Manager for the program selected above meets with school staff in-person, conducting workshops and supporting schools' involvement in Healthier Generation programs.

Online or Virtual Support

Healthier Generation supports schools' involvement in programs virtually, working with a Virtual Program Manager, the Member Engagement and Support Team, and Content Experts, as well as webinars, email, phone, on-demand learning and other digital tools.

KY | HSA | Progress Over Time | Baseline to Current | Change By Topic | Grid | POAD

Topic	% Not Responded	% Declined	% Maintained	% Improved
Employee Wellness	0.0%	7.1%	69.0%	23.8%
Health & Physical Education	0.0%	1.4%	95.7%	2.9%
Nutrition Services	0.0%	8.3%	71.4%	20.2%
Physical Activity	0.0%	16.0%	84.0%	0.0%
Policy & Environment	0.0%	1.5%	90.9%	7.6%
Smart Snacks	0.0%	2.0%	91.8%	6.1%

Change Status Definitions

Maintained - response is the same from baseline until latest response

Declined - the baseline response was a higher ranking answer (for example: Fully In Place) on the answer scale of the selected assessment than the latest response (for example: Under Development)

Improved - the baseline response was a lower ranking answer (for example: Partially In place) on the answer scale of the selected assessment than the latest response (for example: Fully In Place)

Denominator-The denominator for each topic is the number of schools that have responded to at least one question included in the selected assessment multiplied by the number of questions available in that topic.
