Bellevue Public Schools
Community Resource Directory

Welcome to the Bellevue Public Schools Community Resource Directory. The purpose of this directory is to provide staff, students, and families with a directory of commonly used resources throughout the district and to improve service coordination for students and families. This is not an exhaustive list of resources but lists organizations and agencies that are frequently utilized by BPS staff. The organization of the directory is alphabetical by the type of service. This directory is provided as a resource to BPS stakeholders and is **not** a recommendation of services provided by these organizations.
