# Hoben Elementary School

## Title I ~ School Parent Compact

Title I School/Parent Compact

**Hoben Elementary School** is fortunate to receive Federal funds for the Title I program. This is not a special education program. The LLI Interventionists work in consultation with your child's classroom teacher to provide individual assistance in reading and writing. Math is provided by Title I paraprofessionals.

Any student demonstrating a need to strengthen these skills is eligible to participate in the program. Assistance can vary in type and duration – it might be a few times, weeks, or possibly the entire school year. Referrals for the services can be made by the interventionist, principal, parent, or classroom teacher; and they are based on standardized and classroom assessments and observations.

The Hoben staff is committed to providing our students with the best educational support available. We are continuously striving to help students meet or exceed the academic standards established by the State of Michigan. With support programs like Title I in place within our school community, our chances to help students succeed in the content areas are increased.

In addition, we need your continued parental involvement and cooperation. Please help us to support your child or children by making the same firm commitment to their education. **On the back of this form is a "compact" between parents, students and educators to reaffirm our dedication and encouragement to the success of Hoben students.** Please take a few moments to discuss the compact with your child.

_____
Parent Initials

## As a parent, I will:

- ✓ Show an interest in my child's education by being involved with and supportive of school activities and academic goals.
- ✓ Strive to send a well-nourished, well-rested, well-loved child to school each day.
- ✓ Agree to share the reading experience with my child by reading aloud together several times a week and modeling reading for pleasure often.
- ✓ Strive to attend meetings and workshops that provide information on how to help my child at home.
- ✓ Set an example for my child by being a lifelong learner myself.

**_____**

## As educators, we will:

- ✓ Offer the students a quality curriculum and apply effective instructional practices that support academic success.
- ✓ Have open communication with parents, students, colleagues, and community.
- ✓ Provide a safe, positive, well-managed environment where children are treated fairly with respect and compassion.
- ✓ Make programs and information available to parents that will help them assist their child in learning.

**Teacher/Principal Signature: _____Date: _____**
**_____**

## As a student, I will:

- ✓ Do my best work and keep trying even when the work is difficult.
- ✓ Attend school regularly and on time.
- ✓ Strive to learn something new each day and share it with my family members.
- ✓ Respect the rights of others.
- ✓ Attempt to spend more time reading for enjoyment.
