BNY MELLON

BROKER DEALER SERVICES DIVISION
PRICING, INDICATIVE DATA AND OTHER DISCLOSURES

The prices of financial assets and indicative data reported or reflected in reports furnished by the Broker Dealer Services Division (BDS) of The Bank of New York Mellon (BNYM) generally are provided by data providers and ratings agencies ("vendors") used by BDS in the ordinary course of business. Trust receipts will be valued based on the face amount of the underlying financial assets, as set forth therein. Prices and indicative data are not independently verified, and may contain errors or omissions.

With respect to certain newly issued financial assets, if vendors do not provide prices, such financial assets will be valued at par or the new issue price for up to three business days. Thereafter, such financial assets will be valued at zero.

With respect to certain financial assets other than new issues, vendors may not provide prices and may not update prices previously provided on a regular basis. If vendors do not provide prices or update previously reported prices within three business days, such financial assets will be valued at zero, unless other arrangements are agreed in writing.

Notwithstanding the foregoing, certain hard-to-price, thinly traded or illiquid financial assets are valued monthly with no adjustment during the interim period (details are available upon request by contacting BDS).

Although BNYM will not utilize prices obtained from brokers or dealers in providing services, BNYM may obtain from any broker or dealer prices and other information and data such as offering memoranda, observable and non-observable information and assumptions in order to assist BNYM's vendors in determining prices of particular financial assets.

With respect to certain financial assets that are not widely held or regularly traded, vendors may report prices based on valuation models which reflect underlying non-observable assumptions that may not be accurate or complete and such models and/or prices may not be regularly adjusted.

The prices reported by BDS may differ from the prices reported or used by other divisions of BNYM or its subsidiaries or affiliates, and such differences may or may not be material. Margin values reported in connection with triparty transactions may differ from margin values used by BNYM for its own account or for the account of its subsidiaries, affiliates or other clients.

BNY MELLON

Unless otherwise agreed in writing, financial assets held as collateral may include financial assets in default, provided that the prices of such financial assets are made available to BNYM by a vendor which BNYM uses generally for valuing such financial assets.

Unless otherwise agreed in writing, financial assets held as collateral may include financial assets issued by your transaction counterparty or its subsidiaries or affiliates.

Average Traded Volume data is obtained from primary or secondary securities exchanges.

Market data, which is subject to availability, may or may not be current.

The information reported or reflected herein is proprietary to its suppliers and is for your internal use only. It may not be copied, reproduced, published, posted, transmitted, displayed, stored, modified, sublicensed, transferred, disclosed or distributed or used for any purpose without BNYM's express written permission or that of its vendors or other third parties, as applicable.

REPORTED PRICES, WHETHER PROVIDED BY VENDORS OR OTHERWISE OBTAINED AS DESCRIBED HEREIN, MAY NOT REFLECT THE ACTUAL AMOUNT THAT CAN BE REALIZED UPON THE SALE OF PARTICULAR FINANCIAL ASSETS.

2015 The Bank of New York Mellon Corporation. Services provided by The Bank of New York Mellon (member FDIC) and its various subsidiaries and affiliates. All rights reserved.
