The Educator Effectiveness Block Grant (EEBG) is a program providing funds to county offices of education, school districts, charter schools, and state special schools to provide professional learning and to promote educator equity, quality, and effectiveness.

As a condition of receiving funds for educator effectiveness, LEAs shall develop and adopt a plan for expenditure of funds, which requires the plan to be explained in a public meeting of the governing board of the school district, county board of education, or governing body of the charter school before its adoption in a subsequent meeting. Funds may be expended for the purposes identified in Assembly Bill 130, Chapter 44, Section 22 and Assembly Bill 167, Chapter 252, Section 9 and mentioned below in the "Planned Use of Funds" section. These expenditures may take place over fiscal years 2021–22, 2022–23, 2023–24, 2024–25, and 2025–26. LEAs may use these allocated funds to provide professional learning for teachers, administrators, paraprofessionals who work with students, and classified staff that interact with students in order to promote educator equity, quality, and effectiveness. The funding is distributed in an equal amount per unit of full-time equivalent certificated and classified staff as reported in California Longitudinal Pupil Achievement Data and California Basic Educational Data System for the 2020–21 fiscal year. This funding for certificated and classified staff shall not exceed the total certificated staff and classified staff count.
