I would have sent you an email earlier but I worked until after 6:00 and I just got out of the shower.

My [redacted] will also be at the meeting.

I will be there for this meeting at 7:45 in the morning. I've given you notice.

Hello

Both you and Dr Cox are interfering with my right and my wife's right to participate in activities regarding our [redacted] education. So reschedule the meeting for tomorrow morning my wife will be there at 7:45 and I'm sending Mr Grissom an email now telling him that I'll be there. I haven't even been home for 2 hours yet. I do not set at a desk all day

Prohibiting us from meeting with my [redacted] teacher tomorrow violates our rights and I think you know that.
Love Mr Sampogna you know that my [redacted] is going to be there and so will i.

Mr Grissom I'm going to be at the middle school tomorrow morning and I would have emailed you sooner except I just finished eating dinner and took a shower after finishing work at 6:00 p.m.

Thank you.

Good afternoon,

Can you please pass my email address along to the women from the meeting, whose names I do not know, so maybe we can get together to discuss opportunities outside of the auspices of the district, regarding teacher housing solutions.

Sadly, when I looked at buying the land behind the football field, the seller rejected my offer for full value and a month later raised the price about $200,000 because he had the lot

surveyed and had an architect do $2500 worth of drawings.

Have a a nice day!
