## PREFACE

While we are proud of and appreciate the lessons we can learn from our performance data, we also realize numbers do not wholly represent Radnor Township School District. There are many sources to consult to evaluate how we are performing as a District. Student participation in the dozens of clubs and athletics across our five schools; academic and extracurricular offerings and achievements; tremendous educators and staff members at all levels: just a few other data points on which to gauge our successes.

We also look to the passion and involvement of the Radnor community to evaluate our performance. Our parents and families are consistently engaged in our students' education and support our staff and schools in countless ways. Taxpayers value a strong and successful school district and our School Board members work tirelessly as volunteers for the benefit of the children and young adults we serve.

We thank everyone who has a hand in making Radnor Township School District a special place to learn and grow.

Questions or comments should be directed to Michael Petitti, Director of Communications, at 610-688-8100 ext. 6119 or [Michael.Petitti@rtsd.org](mailto:Michael.Petitti@rtsd.org).
