Week @ Wyland

NOVEMBER 16 - 20

Competency of the Month

November and December, Wyland is highlighting the Portrait of a Talbot competency of Empathy.
A Talbot demonstrates empathy by listening for understanding, caring for the interests of others and the greater good, and appreciating others' feelings, experiences, differences, and perspectives.

Throughout November and December, classrooms will be focusing on ways students can "step into someone else's shoes", whether it's being a kind friend on the playground, including others in a group, or showing care through words and actions. We encourage families to talk at home about what empathy looks and sounds like in everyday life. Small moments of understanding can make a big difference in building a caring school community. 💛

Message from the Nurse

As we move through the cold and flu season, please help us keep our school community healthy by keeping your child home when they are sick.

- Fever: Students must be fever-free for 24 hours without fever-reducing medication. A fever is a temperature of 100.4°F or higher.
- Vomiting or Diarrhea: Students should remain home for 24 hours after the last episode.
- Sore Throat: Students diagnosed with strep throat must stay home until they have been on antibiotics for at least 24 hours. A severe sore throat, even without a fever, may be a sign of strep throat. Contact your child's pediatrician if you have concerns.
- Severe Cold Symptoms: Please keep your child home if symptoms are severe to allow for recovery and help prevent the spread of illness.

Help prevent the spread of germs! Encourage your child to wash their hands frequently, avoid touching their eyes, nose, and mouth, cover coughs and sneezes with their elbow or a tissue, and avoid close contact with people who are sick.

For additional guidance, please visit the district's When Should I Keep My Child Home? webpage.

Thank you for helping us keep our students, staff, and school community healthy!

A Unique Year: Balancing the Budget & the Playground Fund

Our Approved September Budget sets expectations for our core funding obligations. We strive for success in each individual fundraiser and fundraising event to maintain these programs. It is our goal as a PTO Board to revisit every fundraiser at the end of April. We plan to allocate any 'overages' to the **NEW PLAYGROUND FUND** after first covering any deficits. Your support is crucial! **Our PTO meeting on 4/27 will include the final discussion and allocation.**
